Headline:

Mainly dry on Thursday with some bright or sunny spells.

This Evening and Tonight:

It will be a dry night with mist and low cloud towards the east coast at first, spreading well inland overnight. Sunny then clear periods in the west. Minimum temperature 7 deg C (45 deg F).

Thursday:

Mainly dry and rather cloudy although the mist and low cloud will disperse during the morning. There will be some bright or sunny spells and still feeling quite warm. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:

A few showers possible on Saturday otherwise lots of dry, bright weather and light winds. Brighter around the east coast too with haar less of a problem.
